

## Parent-Teen Driving Agreement

---

The new driver must initial each point to show it is read and understood:

**I recognize that driving a car is an extremely serious matter. I recognize that:**

- \_\_\_\_\_ I will obey laws regulating driving. I will observe and obey posted speed limits. I will obey rules established by my parents. I recognize these are for my protection and the protection of others.
- \_\_\_\_\_ I understand that the car I drive is NOT my property. It is not “my car.” It is the **property of my parents**. Even a car that is a “gift” to me is still, legally, the property of my parents. I drive the car **only with permission**.
- \_\_\_\_\_ I understand that my parents and I must be able to reach this **written agreement** in order for me to be permitted to drive. I understand that the terms of this agreement may be changed; to be more or less strict, based on how I handle the freedom and responsibility of driving.
- \_\_\_\_\_ In some cases, this contract is more restrictive than the law. I understand that my parents have the right to place more restrictions on my driving than is called for by the law.
- \_\_\_\_\_ This contract establishes penalties for violating driving rules. The penalties involve suspending my independent driving privileges for a length of time to be determined by my parent(s). During this time, I will not be allowed to drive without a parent, guardian, or other responsible adult (determined by the parent), in the car.

### **Rules Calling For Suspension of Independent Driving Privileges Without Further Warnings**

**These rules, if violated, will lead to suspension of independent driving privileges.** I will not be let off with a warning. I understand that I may lose my independent driving privileges **for as long as my parent decides** if any one of these is violated even once.

- **If my parents deny me permission to drive, for whatever reason, I will obey this and give them my keys immediately. I will be allowed to make my case, but my parents’ decision is final. If I drive in defiance of my parents’ order not to drive, this contract is cancelled and no independent driving (driving without a parent or guardian in the car) will be permitted until further notice.**
- **I Will Not Leave the Scene of an Accident, no matter how minor, without the permission of police officers and/or my parents.**

- **No Alcohol Use/Abuse** It is illegal for me to drink alcohol. However, if I do break the law by drinking anything alcoholic I will not drive for 24 hours.
- **No Drug Use/Abuse** I will not drive for 48 hours after my last use of any "substance." "Substance" means any drug or chemical (including but not limited to marijuana, pills, inhalants, and other drugs) which would be expected by my parents to alter my ability to drive. There is no acceptable amount of any substance of this kind. This rule may include medications prescribed to me or over-the-counter medications. In the cases of legal medications, I will inform my parents of any such medications I have taken so that they can judge whether taking these medications will interfere with my driving ability.
- **No Alcohol or Drugs in Car** I will not allow alcohol or illegal drugs in the car. This includes over-the-counter medications (cough medicines, etc.) when I have reason to believe someone has them in their possession for purposes of abuse. My parents will hold me responsible for any alcohol or drugs in the car, even if they don't belong to me or it is the fault of someone riding in my car.
- **No Riding With Others Who Have Used Alcohol Or Drugs** I will not ride as a passenger with any driver who has used alcohol or any substance as defined above.  
**Alternatives to riding with others who have used alcohol or drugs.** If I find myself in a situation as described above, I will contact my parents or another designated adult to arrange for transportation. I understand that my parents will appreciate that behavior and will make every effort to avoid asking me a lot of questions about it.
- **I Will Not Use Cell Phones, MP3 Players, Or Any Other Electronic Device While Driving** I will pull over for other operations of cell phones and electronic equipment. (As of October 1<sup>st</sup>, 2013, it is illegal to text and drive in Florida)
- **Limit on Passengers** I understand that the presence of other teenagers in the car with me will increase the chances of an accident. I will, therefore, always have limits on passengers while I am a teenage driver. Immediately after I receive my license, I will not be allowed to have any teenage passengers except by permission of my parents for a specific situation, such as carpooling to school. As I gain experience, I will be allowed one passenger. Over time, this will be subject to review.
- **No Thrill-Seeking/Stunts** I will not engage in any thrill-seeking behavior while driving. I will not drive for recreation. Driving too fast, racing of all kinds, and any kind of "stunt" involving a car is NOT ALLOWED. Driving is for transportation ONLY.
- **No Driving With Passengers Who Are Not Wearing Seatbelts** I will wear my seatbelt at all times and require all passengers to wear them. I will check to make sure all belts are fastened before I drive. This includes ANY driving of any distance with more passengers than the vehicle is designed to carry.
- **Informing Parents about Accidents and Police Encounters.** I will inform my parents about any and all tickets, accidents, and encounters with police (including warnings.)

- **No Firearms or Other Weapons.** I will not drive with any guns or other deadly weapons in the vehicle.

## Rules Which May Result In a Warning or Suspension of Independent Driving Privileges

First violation may lead to warning OR suspension of driving privileges. If a violation is repeated after a warning, independent driving privileges will be suspended for a length of time to be determined by my parents. NOTE: These are strict rules, some of which may be revised when we review this contract in a few weeks.

- **Permission to Drive** When I first begin driving by myself, I must ask permission to drive each time I drive. Exceptions to this rule will be given for regularly scheduled transportation to school, work, regular meetings, etc. I will ask permission to drive to specific locations and will discuss the route planned. I will be certain that my parents know where I am. I will not make unscheduled stops or side trips.
- **Curfew** When I first begin driving by myself, I may not drive after 10:00 p.m. This curfew will be reviewed and possibly revised on the date of contract review. (See date above.)
- **Staying in Touch** When I am away from my parents, I will inform them of exactly where I am. I will call my parents when I have arrived at the intended location, before I change locations, and before I start my trip home. If my first call does not reach my parents, I will try all available numbers and leave messages at each.
- **Off-Limit Areas** I will not drive on streets, highways, or in areas that are designated as off-limits. I understand that greater flexibility in these matters will come as I gain experience and show that I am honoring the agreement. For the time being, the following roads and areas are to be avoided:
- **No One Else Drives the Vehicle** I will not permit any other person to drive the car without my parents' specific permission for each specific case.
- **Car Audio System** For the first month I drive, I will not have the car audio system on. After the first month, after clearing this with my parents, I will be allowed to have the audio system on but will make no adjustments to it other than changing the volume while driving.
- **Weather/Road Conditions** I will respect weather and road conditions, slowing down as needed for safety. I will contact my parents to discuss weather or poor road conditions when I am out driving.
- **Emotional Upset** Knowing that judgment and driving skills are altered by emotions; I will not drive when I am upset or angry. If upset, I will contact my parents for transportation and I reserve the right to maintain my privacy regarding personal matters. My parents agree not to ask a lot of unnecessary questions.

- **Taking Care of Vehicle** It is my responsibility to protect the car I drive. I will keep it reasonably clean and maintained. I have some specific responsibilities regarding the maintenance of the car as noted below:
- **Friends Ride Only with Their Parents' Permission** When transporting my friends, I will be reasonably sure that they have their parents' permission to ride with me.
- **Thank You for Not Smoking** I will not allow smoking in the car. I will not smoke in the car.
- **No Eating and Driving** I will not eat while driving.
- **No Rushing** Accidents are more likely to happen when I rush. I am more likely to rush when I leave late. Therefore, my parents reserve the right to not allow me to drive unless I leave by a time they specify. For example, if my parents tell me that I must allow 20 minutes to get to something that starts at 7:00, I may not leave later than that. In such cases, my parents will attempt to provide alternative transportation, to whatever extent possible.
- **Attention to Driving** I will not do things while driving that distracts me from the road. No applying makeup, getting things in and out of a purse or back-pack, etc.

## Riding With Other Young Drivers

The most common age at which people are killed as passengers in cars is when they are teenagers. Therefore, my parents will set limits on who I may ride with and under what conditions I may ride with them.

- I must ask **permission** every time I ride with any driver other than my parents. I promise to truthfully inform my parents who the driver is, how many passengers will be in the vehicle, and truthfully answer any other questions they ask me.
- I may not ride with any **new driver** who has had their license for less than six months.
- I will not ride with drivers or passengers who have recently used **alcohol or drugs** or who it would be reasonable to think may have recently used alcohol or drugs. I will not ride when I know or suspect alcohol or drugs are in the vehicle.
- I will not ride in a car unless I can use a **seatbelt** and I will, in all cases, use the seatbelt.
- I will not ride in a car when guns or **weapons** are in the car.
- Rather than ride in an unsafe situation, I will **contact my parents** or another designated adult to arrange for transportation.

- If I feel **unsafe** while riding with someone, I will do what I can to get out of the car and contact my parents.

### Special Items

- **Tickets and Moving Violations** will result in suspension of my driving privileges for a period to be determined by my parents. My parents have no obligation to pay my fines for driving-related tickets.
- **Financial** I will make certain financial contributions to the purchase of the car, maintenance of the car, and/or insurance. My contributions are currently as follows:
  - **Right to Clear Expectations** My parents have a right to expect me to be responsible. I have a right to be told what this means. For this reason, I may ask my parents for clarification of their requirement that I "be responsible."
  - **Changes in this Agreement** I understand that this contract will be made stricter at any time my parents believe that is the best thing to do. I understand that if I consistently abide by these rules that my parents will work with me to make the contract less strict as I gain experience. However, I understand that--bottom line--it is my parents' choice and responsibility to change or not change the contract. We will review this agreement and perhaps make changes to it on \_\_\_\_\_ (date) or earlier if my parents or I wish to do so.

### Summary

I agree to abide by the rules in this contract and I accept the consequences and penalties if I do not. I recognize my parents' authority in deciding if I may drive. That authority is final until I am an adult living independent of my parents. I further agree that "forgetting" something in this contract is not a valid excuse.
